Kauffman; C. Cowper*

God moves in a mysterious way
His wonders to perform

He plants His footsteps in the sea
And rides upon the storm

Deep in His dark and hidden mines
With never failing skill
He fashions all His bright designs
And works His sovereign will

Chorus 1

So God we trust in You

O God we trust in You

Verse 2

Oh fearful saints new courage take
The clouds that you now dread
Are big with mercy and will break
In blessings on your head

Judge not the Lord by feeble sense

But trust Him for His grace

Behind a frowning providence

He hides a smiling face

Bridge

When tears are great

And comforts few

We hope in mercies ever new

We trust in You

Verse 3

God's purposes will ripen fast

Unfolding every hour

The bud may have a bitter taste

But sweet will be the flower

Blind unbelief is sure to err

And scan His work in vain

God is His own interpreter

And He will make it plain

Hallelujah all I have is Christ

Hallelujah Jesus is my life

I once was lost in darkest night

Yet thought I knew the way

The sin that promised joy and life

Had led me to the grave

I had no hope that You would own
A rebel to Your will
And if You had not loved me first
I would refuse You still

Verse 2

But as I ran my hell-bound race

Indifferent to the cost

You looked upon my helpless state

And led me to the cross

And I beheld God's love displayed
You suffered in my place
You bore the wrath reserved for me
Now all I know is grace

Chorus 1

Hallelujah all I have is Christ

Hallelujah Jesus is my life

Verse 3

Now Lord I would be Yours alone

And live so all might see

The strength to follow Your

commands

Could never come from me

O Father use my ransomed life
In any way You choose
And let my song forever be
My only boast is You
